Clazziquai Project

Beautiful stranger
You're passing by
Fading out
Everything

The beautiful stranger
You took my breath
Geudaen nal alaboji mothaene

But I feel
Love of my life
Naseon got naseon saram sokeseo

I feel free
Living in ocean
Ireohge hanbeonman seuchineun geot

Beautiful stranger
Beautiful stranger
Passing by
Freezing time
And my mind

The beautiful stranger
You took my breath
Gieokman namgigo neon ddeonane

Beautiful stranger
Beautiful stranger
Beautiful stranger
Beautiful stranger

But I feel
Love of my life
Naseon got naseon saram sokeseo

I feel free
Living in ocean
Ireohge hanbeonman seuchineun geot

Beautiful stranger (love of my life)
