

Take A Walk

Clazziquai Project

Han najui balgeun haessareun
Neurige jameul kkaeugo, but nothing's mattered

Ichyeojin manheun eolguldeul
Garyeojin sigan sogeuro where they do belong

Juwireul dulleobojiman
Nae geurimjaman hollo seoinne

Do you feel lost in your place
No one seems to understand your mind
Does anyone care to know what is it
That troubles you inside
Do you feel lonely in your heart
Though everything seems to be right
Take a walk with me, away
From everything that makes you to cry

Eodum sok tteooreun dareun
Oeroun bameul barkhigo, and nothing's mattered

Heulleoga beorin naldeuldo
Huimihan soksagimeuro where they do belong

Chueogui yet norae soge
Oji annneun jameul cheonghaebone

Do you feel lost in your place
No one seems to understand your mind
Does anyone care to know what is it
That troubles you inside
Do you feel lonely in your heart
Though everything seems to be right
Take a walk with me, away
From everything that makes you to cry

Take a walk with me now
Take a walk with me now
I'll be your friend
I'll be your friend

Take a deep breath of air
Take a deep breath of air
To clear your mind
To clear your mind

Do you feel lost in your place
No one seems to understand your mind
Does anyone care to know what is it
That troubles you inside
Do you feel lonely in your heart
Though everything seems to be right
Take a walk with me, away
From everything that makes you to cry

Take a walk when you feel low and nothing seems to comfort you inside

Makes you cry
Can't you see inside
Makes you cry
Can't you see
