

Pretty Little Bad Girl

Clea

Huh - Do ya like that?
Uh Huh â¬ yeah I like that uh huh

Bad girl, bad girl
Bad girl, bad girl

Pretty little bad girl
Pretty little bad girl
Pretty little
Pretty little bad

I'm bad, I'm bad
You know I'm bad, I'm bad
I'm bad, I'm bad
You know I'm bad oh yeah

When I first met you oh my oh my
I never thought that I'd be your type
You were kicking game like you knew what I want,
And baby you were right about that (about that)

I like the way that you talked to me,
Sayin' all those sexy things
Baby you bring out the worst in me,
And it's so good, so good yeah

You make me feel sexy
And I've never felt like this before
When you hold me, my body's
Sayin' I want more and more and more and more and more

(Chorus)

I'm your pretty little bad girl
That's out of control
And everybody knows it baby
You're running the show
Coz you give me what I want
Baby down to the bone
Coz I'm your bad girl, bad girl
I'm you're pretty little bad girl
That out of control
And everybody knows it
Baby you're running the show
You turn me on and on and on and on and on

Just one touch I'm emotional
When I kiss you I'm beautiful
It's the way you make me feel inside
Can't deny that you opened my eyes

Take me where I'm not supposed to go (I wanna go)
We'll play a little game that nobody knows
And even when I'm, I'm all alone
I feel your hands all over me

Coz you make me feel sexy

And I've never felt like this before
When you hold me, my bodys
Sayin I want more and more and more and more and more

(Chorus)

Give it to me baby â¬ like that uh huh
Cos you sure wanna give it like that

(Chorus)

You're just a pretty little bad girl
I'm gonna give you what you want (2x)
