

# Extraordinary

Clean Bandit

You can see there's something in the way  
I've tried to show you, my door is open  
I don't know how much more I can take  
Since you've chosen, to leave me frozen  
Am I the only one, who sees what you've become?  
Will you drift away?  
We're running out of time, two wrongs can make it right  
Could I make you stay?  
People making choices they can't fake  
Sacrifice it all and maybe say

Something extraordinary  
Something real (something real)  
To feel my days and nights with something  
That I can feel (I can feel)  
I'm not gonna compromise  
Surely you can sympathize?  
Say you feel the same

You've wandered down a path I can't explain  
Have you seen her, the grass is greener  
To let me pass you by would be a shame  
If she's your only then why you lonely?  
'Cos I'm the only one, who know the things you've done  
I'm so good for you  
We're running out of time, two wrongs can make it right  
Could I make you do

Something extraordinary  
Something real (something real)  
To feel my days and nights with something  
That I can feel (I can feel)  
I'm not gonna compromise  
Surely you can sympathize?  
Say you feel the same

Just don't say it will be alright  
I'm not holding yourself in your arms tonight  
Don't say it will all be fine  
In only a moment you'll say goodbye  
I, I, I, I, I, III, III  
I, I, I, I, I, III, III, III

Something extraordinary  
Something real  
To feel my days and nights with something  
That I can feel (I can feel)

Oh, oh, oh, oh  
Oh, oh, oh, oh (I, I, I, I, I, III, III)  
(I, I, I, I, I, III, III, III)

Something extraordinary  
Something real  
To feel my days and nights with something  
That I can feel

Just don't say it will be alright  
I'm not holding yourself in your arms tonight  
Don't say it will all be fine  
In only a moment you'll say goodbye
