

# Motel Californie

Cledus T. Judd

Yeah  
Alright  
Way to go  
Ooooooh  
Ooooooooooh  
Way to Go, Yeah!  
alright....  
On a dark country highway,  
in my candy-apple corvér  
a strong smell of colidas  
made me change underwear.  
Up ahead in the distance,  
I saw a sickening sight  
my tank near empty  
and the lights is dim  
reckon' I'd stop for the night.  
Ths sign out front said vacancy  
so, I punched the bell.  
Dog mess everywhere I stepped  
Holy cow, Oh my God what a smell.  
So she fired up a lantern,  
and she showed me her face.  
false teeth and an old fruit jar.  
I thought I heard them say...  
Welcome to the Motel Californie!  
such an ugly place (such an ugly place)  
filled with toxic waste!  
Aint that much room at the Motel Californie  
Man this place is weird (man this place is weird)  
Gosh I'm really scared!  
the fossits were pricefestered  
scorched my contact lens  
hot set cold and the cold set hot  
it burned the hair off my shin.  
My room resembled a scrapyard  
from a busted up TV set.  
Rain was blowin throught my windows,  
now my bed's soakin wet!  
So I called up room service,  
for a cheeseburger and fries,  
that thing tasted like It'd been cooked  
back in 1969!  
You could my gas exploding from far away,  
woke up the clerk in the middle of the night,  
I swore I heard her say.....  
Have you enjoyed your stay at the Motel Californie?  
Oh, I aint feelin well (I aint feelin well)  
cause the room sure smells.  
She said we give it our best at the motel Californie.  
Surley you got some rest (hope you got some rest)  
hell, I've froze to death  
Staligtites from the ceiling  
thermostat covered in ice.  
And I pray, God I long for a holiday inn,  
or a Motel 6 would be nice!  
Went to the old maid's chambers  
for a clean change of sheets.

Somebody stabbed her with an old buck knife,  
she was cold dead and desceaced HAHAHA!  
Last thing I remember,  
I busted down my room door.  
feeling nauceous as my stomach churned  
from the scene I just seen before.  
Took some X-LAX from the night stand,  
here on the toilet I sat.  
As soon as I get my big butt from here,  
I'm gonna call up Tom Beaudat!
