She's so squeezable  
Please-able  
Unbreakable  
She's inflatable  
She's an arm full of sex appeal  
Can't wait till I get her home  
Yeah

She's incapable  
Of being difficult  
Down to earth-able  
Biodegradable  
Shania Twain  
Ain't got a dad blang thing  
On my tease-able  
Squeeze-able  
Please-able  
She's inflatable

Most folks think I'm full of baloney  
I'm never lonely

Never thought I could buy someone not

Flammable  
Air brain-able  
Recycle-able  
No I ain't full of bull  
Didn't need a down payment on that pretty little plastic thing

It made my mama cry  
When we ran off one night  
And caught a Vegas flight  
And I made her mom whine

She blew her mouth still when I gave her a ring

My flexible  
Patch-able  
Washable  
Yeah inflatable

(Oh Dang lady you give a new definition of taking a man's breath away)

Makes me feel so proud that I'm her feller  
I'd never sell her  
People get your mind out of the gu-gu-gu-gutter

She's blonde-head-able  
Re-head-able

brunet-able  
Interchange-able  
I didn't need a down payment  
On that pretty little plastic thing

She's incapable  
Of being difficult  
Down to earth-able  
Biodegradable  
She blew her mouth still when I gave her a ring  
My please-able  
Patchable  
Washable  
Bio-degradable

Air-brain-able  
Squeezable  
Washable  
She's inflatable  
That Diamond Rio song had way too many syllables
