

Stinkin' Problem

Cledus T. Judd

Yes I admit I've got a stinkin problem
Pheeeew
Ban Roll On just won't do
I soaked in Clorox bleach
Lysol and Pine Sol too

Yes I admit I've got a stinkin problem
I filled the tub right to the top
I'll start with my Brillo pad
But I don't know when to stop

I wake up and right away
A foul odor hits my nose
What's my sweat glands start to pour
I'll stink from my head down to my toes

Yes I admit I've got a stinkin problem
Aqua Velva can't cut through
Calgon won't take me away
Mr Bubbles just says "pew"

Yes I admit I've got a stinkin problem
Put Dr Scholl's in my flip flops
Then I'll scrub my private parts
But I don't know when to stop

I've been called some filthy names
Why you no good little
