

## Forever Now And Then

Clem Snide

I dreamt of an ocean blue  
Underwater you and me  
Let's not swim to shore  
Just float forever more

We could hide behind the sun  
Where no one will upset our fun  
Let's take off our shoes  
And dance away the blues

Was your sweet kiss just a dream  
So real the taste of tangerine  
You are my best friend  
Forever, now and then
