

## Messiah Complex Blues

Clem Snide

I wouldn't die for your sins  
'cause what if I lose and you win?  
Our friendship is all that we have in the end  
But I wouldn't die for your sins

And I love you with all that I can  
And bleed from the palm of my hands  
I'll see you in heaven if we both get in,  
'cause I wouldn't die for your sins  
No I wouldn't die for your sins.

And the truth isn't so hard to see.  
Come to me I'll set you free  
My brothers and sisters, I'll let you in  
But I wouldn't die for your sins  
No I wouldn't die for your sins.  
No I wouldn't die for your sins.  
No I wouldn't die for your sins.  
No I wouldn't die for your sins.  
No I wouldn't die for your sins.
