

## Pray

Clem Snide

Never much of a hopeful man  
Nothing good to say  
But I couldn't help it when I saw her  
I had to know if  
She don't know where to go  
She don't know how to stay  
And she don't know how good I can be  
Or how much I can pray  
I pray  
And soon I know her a little more  
She's everything I dream  
But still I wonder what it would be like  
If she left me  
She don't know where to go  
She don't know how to stay  
But she don't know how good I can be  
Or how much I still pray  
I pray  
There must be something that's following her  
That keeps her from the stay  
There must be something that makes me want to pray  
Pray  
Pray  
I pray  
She says she's alright, but she's not sure  
And I'm not sure what that means  
She says she's alright, but she needs some help  
I don't know how  
I don't know how  
I don't know how
