

6 In The Morning

Client

You look good on your knees
You know it's time to please
Try me, I'm hard to please, submission, electric tease
Can't help the way I feel, my time's not yours to steal
It's six in the morning baby, dirty boy dirty girl
It's six in the morning baby, I want it all

Yeah yeah yeah - you can look but you can't touch
Yeah yeah yeah - can beg it's all too much
Yeah yeah yeah - you can look but you can't touch
Yeah yeah yeah - you can look don't ever touch

Turn me on, take me home, too good looking to be alone
With these eyes staring back at me
I need chains don't leave me free
It's six in the morning baby, dirty minds boys and girls
It's six in the morning baby, I want it all

Turn up the heat, we're in too deep. Take me to extremes,
Baby in your dreams you're coming on... strong
