Lock up your brains, 'cause I'm here again I'm never bored I'll steal your chord Ooh zerox machine Give me a line or a middle eight I've got the best so I want the rest Ooh zerox machine

Let's get together before it's too late Collect up the ideas and duplicate Filling in the forms send 'em off tonight And you'll be the owner of the copyright Of the copyright, of the copyright

Time is off the essence get your ears to the ground However else can the hits be found I may look happy, healthy and clean A dark brown voice and a suit pristine But behind the smile there is a zerox machine

I'm a zerox machine
