

A Little in Love

Cliff Richard

It's been so long
you say you've had fun
And you've been happy with the things you've don
Now you feel strange and a little unreal
You're just a little in love
just a little -
You're just a little in love
just a little.
Well
I can see what's happenin' to you

You feel alone but it's just not true.
And there's one thing you oughta know

I need you so.
I'm just a little in love
just a little -
I'm just a little in love
just a little.
You say you're willing to learn

You need a friend
a friend who will help you.
'Cos you're just a little in love
woh-yeah

A little in love
you are little in love
With someone - you're just like me

Like me you're just in love
woh-yeah
a little in love
You know some time you look somewhere

You're not alone but there's no-one there.
No-one to turn to

No-one to see

The way you're feelin' you're iust like me.
You're just a little in love
just a little -
You're just a little in love
just a little.
You say you're willing to learn
. . .
You're in love - woh-yeah -
A little in love
you are
A little in love with someone. You're just like me

Like me you're in love . . .
