## **Always And Forever**

**Cliff Richard** 

Always and forever, each moment with you Is just like a dream to me that somehow came true And I know tomorrow will still be the same 'Cause we've got a life of love that won't ever change and

Everyday love me your own special way Melt all my heart away with a smile Take time to tell me you really care And we'll share tomorrow together I'll always love you forever, forever

There'll always be sunshine when I look at you It's something I can't explain just the things that you do And if you get lonely phone me and take A second to give to me that magic you make and

Everyday love me your own special way Melt all my heart away with a smile Take time to tell me you really care And we'll share tomorrow together I'll always love you ever, ever

Loving you is the thing that I've planned For a very long time Me with you, you with me, we as one Love together for a very long time Loving you, you, baby

Always, forever love you Always, forever love you Always, forever love you

I said, "Forever love you, love you" Ever and the day and one day Loving you, you, you, you, you Forever, tomorrow's tomorrow

Ever and a day, ever and a day Ever, everyday, yeah, you Loving you forever, ever, you, you Forever
