

# Always Guaranteed

Cliff Richard

Some people, they tease one another  
Take pride in themselves, keeping the other one down  
Well, I'm not like that at all

Some people, they hurt one another  
They love to see hurt in the other one's eyes  
Well, I'm not like that at all

Some people are born for each other  
They love to walk holding the other one's hand  
They always understand

Some people cry  
Some people know why

Some people, they use one another so aimlessly  
Not like lovers do  
Well, I'm not like that at all

Some people they long for each other  
They love to talk holding the other one's hand  
They always understand

Some people cry  
Some people know why

With a word unspoken with a voice unheard  
When a word is broken by a tender word  
When a heart is moved, when a heart is thrown  
The silence tells you, you're not alone

Some people are born for each other  
They love to walk holding the other one  
Some people are born for each other  
They love to walk holding the other one

Some people are born for each other  
They love to walk holding the other one  
Holding the other one  
Holding each other
