

Baby It's You

Cliff Richard

It's not the way you smile
That touched my heart, no-no
It's not the way you kiss
That tears my apart

Oh-oh, many, many nights go by
I sit alone at home and cry over you
What can I do?
I can't help myself
'Cause baby it's you

You should hear what they say about you
They say, they say you've never, never
Never ever been true, cheat

It doesn't matter what they say
I know I'm gonna love you any old way
What can I do?
When it's true
I don't want nobody, nobody
'Cause baby it's you

Oh-oh, It doesn't matter what they say
I know I'm gonna love you any old way
What can I do?
When it's true
I don't want nobody, nobody baby
'Cause baby it's you

Baby just you, baby it's you, baby it's you
