

Don't Be Mad at Me

Cliff Richard

Don't be mad at me, little darlin'
Don't be mad at me
Just because I stole a kiss from you
And I held you tenderly
What's a boy in love suppose to do
Don't be mad at me
No, don't be mad at me

Just be mad at your lips (be mad at your lips)
As soft as can be (as soft as can be)
Be mad at your arms, but darlin'
Don't be mad at me
Oh, oh no, don't be mad at me

Please don't send me home, little darlin'
Please don't send me home
If you let me stay, I promise this
I'll be good, but golly gee
If I try to steal another kiss,
Don't be mad at me,
No, don't be mad at me

Just be mad at your lips (be mad at your lips)
As soft as can be (as soft as can be)
Be mad at your arms, but darlin'
Don't be mad at me, oh no
Don't be mad at me
(Oh) don't be mad at me
(Oh) don't be mad at me
(Oh no) don't be mad at me
