Donna

Oh Donna Oh Donna Oh Donna Oh Donna I had a girl Donna was her name Since she left me Well I've never been the same 'Cause I love my girl Donna where can you be And now that you're gone I'm left here all alone All by myself to wander and roam How I love my girl Donna where can you be Oh Donna Now that you're gone I don't know what to do All my love and all my kisses Were for you, you just you I had a girl Donna was her name Since she's been gone I've never been the same 'Cause I love my girl Donna where can you be Oh Donna Now that you're gone I don't know what to do All my love and all my kisses Were for you I had a girl Donna was her name Since she's been gone I've never been the same I love my girl Donna where, where can you be Oh Donna, Oh Donna, Oh Donna, Oh Donna
