

# Everyman

Cliff Richard

Looking around nowhere to go  
Looking high but you're feelin' low  
Ready or not you got to run when you can  
Stealin' time just like everyman

Oh, oh, wanna let you know  
You can't hide, you can't hide  
Oh, oh, wanna tell you so  
Well you tried, I think you lied

Everyman, you get lonely  
Saw you crying just the other day  
Everyman, it's not your money  
You and I get to feel this way  
We can feel the rain  
We're like everyman

Spend your time, spend your money too  
Spend your life if it gets you through  
Look around, see you everywhere  
Stealin' love, well it's just not fair

Oh, oh, wanna let you know  
You can't hide, you can't hide  
Oh, oh, wanna tell you so  
Well you tried but I think you lied

Everyman, you get lonely  
Saw you crying just the other day  
Everyman, it's not your money  
You and I get to feel this way  
We can feel the rain  
We're like everyman

Everyman, you get lonely  
Saw you crying just the other day  
Everyman, it's not your money  
You and I get to feel this way  
We can feel the rain  
We're like everyman

See you everywhere I go  
Looking high but you're feeling low  
Everyman, everyman
