First Lesson In Love

Cliff Richard

Lonely guy, tears are falling
Can't you hear, my heart is calling
I just had my first lesson in love

Such should be ever true
Turn right 'round and sit we're through
I just had my first lesson in love

People say that love's for fools
And I agree
For my first lesson
In turn out for me

Maybe someday I'll find out
What this love game all about
But I just had my first lesson in love

People say that love's for fools
And I agree
For my first lesson
In turn out for me

Maybe someday I'll find out
What this love game all about
But I just had my first lesson in love

My first lesson in love
My first lesson in love
My first lesson in love
