## I Could Easily Fall (In Love With You)

## **Cliff Richard**

Aum aum aum aum Aum aum

If you should tell me that I'll always be, The one you'll always love so true. Then I can tell you I could easily, "I could easily fall in love with you."

It wasn't long ago I saw you there. But even then I thought I knew, That given half a chance I'd easily, "I could easily fall in love with you."

I've been too long on my ownsome now. I've been too long by myself. I couldn't feel more lonesome now. If I was left on the shelf.

Don't ever change that smile you're smiling now. And please don't let me see you blue. Then I can tell you oh so easily, "I could easily fall in love with you."

I've been too long on my ownsome now. I've been too long by myself. I couldn't feel more lonesome now. If I was left on the shelf.

Don't ever change that smile you're smiling now. And please don't let me see you blue. Then I can tell you oh so easily, "I could easily fall in love with you."
