

I Live For You

Cliff Richard

I love you darling, I live for you
Why did you cheat me, and be untrue?
When you knew, yes you knew
I live for you

Why did you go away, what did I do?
Why you were restless, with someone knew
When you knew, yes you knew
I live for you

Do you know how it feels to be all alone?
With no one by your side
Do you know how it feels to be in love?
With someone's cheated lie

Now my heart is broken, what can I do?
I must go on living, even without you
When you knew, yes you knew
I live for you

Do you know how it feels to be all alone?
With no one by your side
Do you know how it feels to be in love?
With someone's cheated lie

Now my heart is broken, what can I do?
I must go on living, even without you
When you knew, yes you knew
I live for you
I live for you
