

I'll Be Back

Cliff Richard

You know, if you break my heart I'll go
But I'll be back again
'Cause I told you once before goodbye
But I came back again

I love you so
I'm the one who wants you
Yes, I'm the one who wants you

You could find better things to do
Than to break my heart again
This time I will try to show that I'm
Not trying to pretend

I thought that you would realize
That if I run away from you
That you would want me to
But I got a big surprise

Though you, if you break my heart I'll go
But I'll be back again
