

# It'll Be Me

Cliff Richard

If you hear somebody knockin' on your door  
If you see something crawlin' all across the floor  
Baby, it'll be me  
And I'll been lookin' for you

If you see a head peepin' from a crawdad hole  
If you see somebody climbin' up a telephone pole  
Baby, it'll be me  
And I'll been lookin' for you

Gonna look on the mountain  
And in the deep blue sea  
Gonna search all the forests  
Gonna look in every tree

If you feel somethin' heavy on your fishin' hook  
If you see a funny face in your comic book  
Baby, it'll be me  
And I'll been lookin' for you  
Oh, look a here now

Gonna look in the city  
Where the lights are blue  
Gonna search the countryside  
And all the haystacks too

Well, if you hear a voice callin' out in the night  
If you see somebody hangin' from a lampost bright  
Baby, it'll be me  
And I'll been lookin' for you  
Oh yeah

Gonna look on the mountain  
And in the deep blue sea  
Gonna search all the forests  
Gonna, gonna look in every tree

Well if you see a new face on a totem pole  
If you find you a lump in your sugar bowl  
Baby, it'll be me  
And I'll been lookin' for you

I'll be lookin' for you  
And I'll be lookin' for you

I'll be lookin' for you  
And I'll be lookin' for you

I'll be lookin' for you  
I'll just keep looking for you

I'll be lookin' for you  
I'll be lookin' for you  
I'll be lookin' for you  
...
