

Jesus

Cliff Richard

Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth

Save us from the deprivation
From the things we say
From the people thinking
That the world is O.K.

Save us, save us hallelujah
From the fighting nations
From the segregation
From the love of death

Save us, save us
Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth
Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth

Save us from the destruction of love
Destruction of happiness
Destruction of freedom
The destruction of the world

Save us, save us hallelujah
Save us from the devil
Save us from Satan
Save us from hell

Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth
Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth

Save us, save us hallelujah
Save us from the devil
Save us from Satan
Save us from hell

Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth
Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth

Come on back
Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth
Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth

Oh yeah,
Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth
Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth

Come on back

Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth
Jesus, Jesus won't you come back to earth
Jesus, Jesus come back to earth

Come on back, come on back, come back
Jesus, Jesus won't you come back to earth
Jesus...
