

La La La Song

Cliff Richard

There's a song I know, this is how it goes
There is nothing in it complicated
Take the melody, simple as can be
There is nothing in it that can date it

There's no language problem in it
Children everywhere can sing it, swing it
La la la la la, la la la la la
La la la la la, la la la la la
La la la la la, la la la la la
La la la la la, la la la la la

There's no language problem in it
Children everywhere can sing it, swing it

See, I've told you so
But now I must go
Leaving you with something to remember
Now be on your way
What else can I say?
There is really nothing to it
All you have to do is, do it
All you have to sing is la la la (la la la)
Sing la la la (la la la)
Sing la la, la la la la la
