

Love Me or Leave Me

Cliff Richard

Love me or leave me and let me be lonely
You won't believe me but I love you only
I'd rather be lonely than happy with somebody else

You might find the night time the right time for kissing
But night time is my time for just reminiscing
Regretting instead of forgetting with somebody else

I want no one unless that someone is you
I intend to be independently blue

I want your love, but I don't want to borrow
To have it today and to give it back tomorrow
For my love is your love
There's no love for nobody else

Love me or leave me and let me be lonely
You won't believe me but I love you only
I'd rather be lonely than happy with somebody else

You might find the night time the right time for kissing
But night time is my time for just reminiscing
Regretting instead of forgetting with somebody else

I want no one unless that someone is you
I intend to be independently blue

I want your love, but I don't want to borrow
Have it today and give back tomorrow
For my love is your love
There's no love for nobody else

My love is your love
I love you only
Don't let me be lonely

I want no one unless that someone is you
'Cause I intend to be independently blue

I want your love, but I don't want to borrow
Have it today and give back tomorrow
For my love is your love
There's no love for nobody else

My love is your love
There's no love for nobody else

My love is your love
There's no love for nobody else
