

## Lover

Cliff Richard

Lover, when you're near me  
And I hear you call my name  
Softly, in my ear you breathe a flame  
Lover, while we're dancing  
Please keep glancing in my eyes  
'Till love's own entrancing music dies

All of my future is in you  
And to resist you I try  
My hope, you'll always continue to be mine  
Lover, please be tender  
While your tender fears depart  
Lover, please surrender to my heart

Oh, I say a devil is in you  
And to resist you I try  
But if you did not content you, I'll die

Lover, please be tender  
While your tender fears depart  
Lover, please surrender to my  
Lover, lover, please surrender  
Please surrender to my heart  
Lover, lover, please tender  
Please surrender to my heart  
Lover, please surrender to my heart
