

Must Be Love

Cliff Richard

Ooh I'd like to tell you something that's playing on my mind
I don't know how to tell you, so I'll take my time
I believe, I believe it's not just in my mind
Something I'm dreaming to take up the time
There's no escape - I don't want to be free
I believe that it must be love

Having trouble sleeping, you're always on my mind
When it comes to dreamin' I get left behind
I believe, I believe there's no doubt in my mind
There's no use pretending I'm hooked on your line
Words of the heart don't come easy to me
I believe that it must be love

You got me tied to a railroad track
Your love's the train - there's no turning it back
I've told you how I feel, I've laid it on the line
Got to take your love and make you feel that you're mine

I believe, I believe it's not just in my mind
Something I'm dreaming to take up the time
There's no escape - I don't want to be free
I believe that it must be love

It must be love
It must be love yeah
