

My Blue Heaven

Cliff Richard

When the whippoorwills call
And evening is nigh
I'm so happy in my blue heaven
Just take a turn to the right
You'll see a little white light
It lead you to my blue heaven

It's just a smiling face, a fireplace, a cozy room
It's a lover's nest that nestles where the roses bloom
Just my Molly and me, and little baby makes three
We're so happy in my blue heaven

It's just my Molly and me, and little baby makes three
We're so happy in my blue heaven
Just take a turn to the right
You'll see a little white light
It lead you to my blue heaven

When the whippoorwills call
And evening is nigh
We're so happy in my blue heaven
