

# Never Say Die (Give a Little Bit More)

Cliff Richard

You look so sad - like you lost your only friend  
Don't feel so bad - you can always try again  
So don't hide, go seek, don't let the grass grow  
Under your feet  
Get out, get up, get on, get moving out  
Don't surrender - don't give up the fight

You give a little bit more  
If you want her back - it's a full attack  
You give a little bit more  
And if you wanna win you don't give in you  
Give a little bit more  
When you think you're through what you gotta do is  
Give a little bit more

She said goodbye  
So tell yourself that's all  
(That's all, she's gone)  
But your hands ain't tied  
Why you make yourself so small (don't think so small)  
So don't hide - go seek - don't let the grass grow  
Under your feet  
Get out - get up - get on - get moving out  
Don't surrender - don't give up the fight

You give a little bit more  
If you want her back - it's a full attack  
You give a little bit more  
And if you wanna win you don't give in  
Give a little bit more  
When you think you're through what you gotta do you  
Give a little bit more

Don't give up the fight - you gotta keep on  
Going with all you might  
Try hard don't stop - gotta keep on giving it  
All you got  
Never give up - never give up - never say die  
Believe in, can reach the top  
Gotta give it a shot don't say no gotta  
Get in the flow

So don't hide go seek  
Don't runaway - get back on your feet  
Get out - get up - get on - get moving out  
Don't surrender - don't give up the fight

You give a little bit more  
If you want her back - it's a full attack  
You give a little bit more  
And if you wanna win you don't give in  
Give a little bit more  
When you think you're through what you gotta do  
Give a little bit more
