

Never Say Die

Cliff Richard

You look so sad like you lost your only friend.
Don't feel so bad
You can always try again.
So don't hide
Go seek
Don't let the grass grow under your feet.
Get out
Get up
Get on
Get moving out

Don't surrender
Don't give up the fight.
You give a little bit more
If you want her back it's a full attack

You give a little bit more.
If you want to win
You don't give in
You give a little bit more.
When you think you're through what you got to do is give a little bit more.
She said good-bye
So you tell yourself that's all.
But your hands ain't tied why you make yourself so small.

So don't hide
Go seek
Don't let the grass grow under your feet. . . .
Don't give up the fight
Got to keep on going with all your might

Try hard
Don't stop. Got to keep on giving it all you got.
Never give up
Never give up
Never say die.
Believe in I

You can reach the top
Got to give it a shot.
Don't say no
Got to get in the flow.
So don't hide
Go seek
Don't crawl away

Get back on your feet.
Get out
Get up
Get on
Get moving out.

Don't surrender
Don't give up the fight.
You give a little bit more.
And if you want her back it's a full attack
You give a little bit more.

If you want to win you don't give in
You give a little bit more.
When you think you're through what you got to do is give a little bit more
You give a little bit more
You give a little bit more
