

Right Here Waiting

Cliff Richard

Oceans apart day after day
And I slowly go insane
I hear your voice on the line
But it doesn't stop the pain

If I see you next to never
How can we say forever

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you
I will waiting for you

I took for granted, all the times
That I thought would last somehow
I hear the laughter, I taste the tears
But I can't get near you now
Oh, can't you see it baby
You've got me goin' crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you
I will waiting for you

I wonder how we can survive
This romance
But in the end if I'm with you
I'll take the chance

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I will be right here waiting for you ...
