Right Here Waiting

Cliff Richard

Oceans apart day after day And I slowly go insane I hear your voice on the line But it doesn't stop the pain

If I see you next to never How can we say forever

Wherever you go Whatever you do I will be right here waiting for you Whatever it takes Or how my heart breaks I will be right here waiting for you I will waiting for you

I took for granted, all the times That I thought would last somehow I hear the laughter, I taste the tears But I can't get near you now Oh, can't you see it baby You've got me goin' crazy

Wherever you go Whatever you do I will be right here waiting for you Whatever it takes Or how my heart breaks I will be right here waiting for you I will waiting for you

I wonder how we can survive This romance But in the end if I'm with you I'll take the chance

Wherever you go Whatever you do I will be right here waiting for you Whatever it takes Or how my heart breaks I will be right here waiting for you

Wherever you go Whatever you do I will be right here waiting for you Whatever it takes Or how my heart breaks I will be right here waiting for you

I will be right here waiting for you \ldots
