

Rock 'N' Roll Juvenile

Cliff Richard

I'm a rock'n roll juvenile,
Watch me run a mile,
When they play Beethoven,
I'm a rock'n roll groovy mover,
I only dig Beethoven,
When he's been rolled over.
(Roll over Beethoven).

I'm a rock'n roll holy roller,
I love to sing 'bout Jesus,
Cos he saved my soul-a,
I'm a rock'n rolling believer,
Roll a rock at the Devil,
He's just a deceiver,
(Roll the rock).

Look at me, I'm your rock'n roll man,
Been a rock'n roll fan since it began,
Look at me, follow me if you care,
I've found a rock'n roll heaven,
I'll take you there.

Look at me here I am,
Get a rock'n roll band,
I am a rock'n roll frontman,
Love a solo guitar,
It could take you far-take it-take it away.
