

# Shame On You

Cliff Richard

Yeah-yeah

I've been searching all over this world  
Tried to find me a steady girl  
Girl that sweet, kind and true  
And then along came you

Oh, naughty girl (oh, naughty girl)  
What'd you try to do (what'd you try to do)  
Oh, naughty girl, girl, shame on you

(Yeah-yeah)

Let me satisfy your mind  
I'm not helpless, I'm not blind  
Been around and I know what to do  
With a girl like you

Oh, naughty girl (oh, naughty girl)  
What'd you try to do (what'd you try to do)  
Oh, naughty girl, girl, shame on you

Yeah, you took my heart, can you try to break it  
You gave it to me back a-when you know you couldn't make it  
Step your feet, pretend to cry (ah-ah-ah...)  
Oh, honey why or why?

Oh, naughty girl (oh, naughty girl)  
What'd you try to do (what'd you try to do)  
Oh, naughty girl, girl, shame on you

(Yeah-yeah)

I tell them you're just ain't no use  
You're much better on the loose  
Try to none just the fancy free  
Just like me

Oh, naughty girl (oh, naughty girl)  
What'd you try to do (what'd you try to do)  
Oh, naughty girl, girl, shame on you  
Yeah-yeah-yeah....
