

Such a Night

Cliff Richard

It was a night oo-oo what a night
It was it really was such a night
The moon was bright oh how so bright
It was it really was such a night
The night was alight with stars above
When she kissed me
I had to fall in love

It was a kiss oo-oo what a kiss
It was it really was such a kiss
How she could kiss oh what a kiss
It was it really was such a kiss
Just the thought of her lips
And it sets me afire
I reminisce and I'm filled desire
But I'd gave my heart to her in sweet surrender
How well I remember, I'll always remember

Oh, what a night oo-oo what a night
It was it really was such a night
Came the dawn and my heart and my love
And the night was gone
But I'll never forget that kiss
The kiss in the moonlight
Oo-oo such a kiss, such a night
I'd gave my heart to her in sweet surrender
How well I remember, I'll always remember

It was a night oo-oo what a night
It was it really was such a night
Came the dawn and my heart and my love
And the night was gone
But I'll never forget that kiss in the moonlight
Oo-oo such a kiss, such a night

Now she's gone, gone, gone
Yes she's gone, gone, gone
Came the dawn, dawn, dawn
And the night was dawn
And my heart love was gone
And her love was gone
But before that dawn
Oo-oo, oo-oo such a night
