

The Best of Me

Cliff Richard

So many years gone
Still I remember
How did I ever let my heart believe
In one who never gave enough to me

And so many years gone
With love that was so wrong
I can't forget the way it used to be
And how you changed the taste of love for me

You were my one more chance
I never thought I'd find
You were the one moment
I'll always have in my mind

No one will ever touch me more
And I only hope that in return
I might have saved the best of me for you

And we'll have no ending
If we can hold on
And I think I've come this far because of you
Could be no other love but yours will do

You were my one more chance
I never thought I'd find
You were the one romance
I'll always have in my mind

No one will ever touch me more
And I only hope that in return
I might have saved the best of me for you

No one will ever touch me more
And I only hope that in return
No matter how much we have to learn
I might have saved the best of me for you

For you, I saved the best of me
You were my one more chance
You were the one romance

You were my one more chance
You were the one romance
You were my one more chance
You were the one romance

You were my one more chance
You were the one romance
You were my one more chance
