

## The Next Time

Cliff Richard

They say I'll love again someday  
A truer love will come my way the next time  
But after you there'll never be a next time for me  
They say that I'll find happiness  
In someone else's warm caress the next time  
I'll soon forget your kiss and heartaches such as this  
Will just be ancient history.

They say that I'm a fool to weep  
That I won't go on losing sleep the next time  
And someone else will mend the heart you've broken in two.  
(But) How can I fall in love the next time?  
When I'm still so very much in love with you.

They say that I'm a fool to weep  
That I won't go on losing sleep the next time  
And someone else will mend the heart you've broken in two.  
(Oh) How can I fall in love the next time?  
When I'm still so very much in love with you.
