

# The Only Way Out

Cliff Richard

Came a time in my life  
I had to be free  
From all the lies  
That used to be me  
And the only way out is the only way in  
And it's you

I've been waisting my time  
But not anymore  
I've been through the maze  
And it lead to your door  
And the only way out is the only way in  
And it's you  
I spent a lot of time at the crossroads  
Getting that lonely feeling inside  
Suddenly you stopped the rain  
And you changed the view  
Now every where's leading to you

Let's get this thing going  
Let's move it along  
Let me do all the things  
I've been missing so long  
'cos the only way out is the only way in  
And it's you

I spent a lot of time at the crossroads  
Getting that lonely feeling inside  
Suddenly you made the rescue  
You Pulled me through  
Now let me do something for you  
Let's get this thing going  
Let's move it along  
Let's do all the things  
I've been missing so long  
And the only way out is the only way in  
And it's you

Yeah the only way out is the only way in  
And it's you
