

## Theme for Young Lovers

Cliff Richard

The young ones  
Darling, we're the young ones  
And young ones  
Shouldn't be afraid

To live, love  
While the flame is strong  
'Cause we may not be the young ones  
Very long

Tomorrow  
Why wait until tomorrow?  
'Cause tomorrow  
Sometimes never comes

So love me  
There's a song to be sung  
And the best time is to sing  
While we're young

Once in every lifetime  
Comes a love like this  
Oh, I need you and you need me  
Oh, my darling, can't you see?

Young dreams  
Should be dreamed together  
And young hearts  
Shouldn't be afraid

And some day  
When the years have flown  
Darling, then we'll teach the young ones  
Of our own

Once in every lifetime  
Comes a love like this  
Oh, I need you and you need me  
Oh, my darling, can't you see?

Young dreams  
Should be dreamed together  
And young hearts  
Shouldn't be afraid

And some day  
While the years have flown  
Darling, then we'll teach the young ones  
Of our own

The young ones  
Darling, we're the young ones  
The young ones  
Darling, we're the young ones
