

## Time

Cliff Richard

Some people run, some people crawl  
Some people don't even move at all  
Some roads lead on, some roads lead back  
Some roads are bathed in light, some wrapped in fearful black

Time oh time where did you go  
Time oh good-good time where did you go

Some people never get, some never give  
Some people never die and some never live  
Some folks treat me mean, some treat me kind  
Most folks just go their way  
Don't pay me any mind

Time oh time where did you go  
Time oh good-good time where did you go

Sometimes I'm satisfied, sometimes I'm not  
Sometimes my face is cold and sometimes it's hot  
Sunset I laugh, Sunrise I cry  
At midnight I'm in between and wondering why

Time oh time where did you go  
Time oh good-good time where did you go  
Time oh time where did you go
