Some people run, some people crawl
Some people don't even move at all
Some roads lead on, some roads lead back
Some roads are bathed in light, some wrapped in fearful black

Time oh time where did you go Time oh good-good time where did you go

Some people never get, some never give
Some people never die and some never live
Some folks treat me mean, some treat me kind
Most folks just go their way
Don't pay me any mind

Time oh time where did you go Time oh good-good time where did you go

Sometimes I'm satisfied, sometimes I'm not Sometimes my face is cold and sometimes it's hot Sunset I laugh, Sunrise I cry At midnight I'm in between and wondering why

Time oh time where did you go Time oh good-good time where did you go Time oh time where did you go
