

# We Kiss In A Shadow

Cliff Richard

We kiss in a shadow  
We hide from the moon  
Our meetings are few  
And over too soon

We speak in a whisper  
Afraid to be heard  
When people are near  
We speak not a word

Alone in our secret  
Together we sigh  
For one smiling day  
To be free

To kiss in the sunlight  
And say to the sky  
Behold and believe what you see  
Behold how my lover loves me

Alone in our secret  
Together we sigh  
For one smiling day  
To be free

To kiss in the sunlight  
And say to the sky  
Behold and believe what you see  
Behold how my lover loves me  
Loves me, she loves me
