

# We Say Yeah

Cliff Richard

Mummy says no  
Daddy says no  
Brother says no  
But they all got to go

'Cause we say yeah (yeah-yeah)  
We say yeah (yeah-yeah)  
We say yeah (yeah-yeah)  
We say yeah (yeah)

If we didn't go ahead  
And thought of all they said  
Might as well give up, man  
We might as well be dead

'Cause we say yeah (yeah-yeah)  
We say yeah (yeah-yeah)  
We say yeah (yeah-yeah)  
We say yeah (yeah)

Now we're moving to the front, baby  
We'll sing another song  
The older ones, they taught us  
They're all dead and gone

'Cause we say yeah (yeah-yeah)  
We say yeah (yeah-yeah)  
We say yeah (yeah-yeah)  
We say yeah (yeah)

We'll aim for the sky  
And keep on shooting high  
Forget about those problems baby  
Don't just sit and sigh

'Cause we say yeah (yeah-yeah)  
We say yeah (yeah-yeah)  
We say yeah (yeah-yeah)  
We say yeah (yeah)

Umm, now mummy says yeah  
And daddy says yeah  
My brother says yeah  
Maybe they're not so square

We all say yeah (yeah-yeah)  
We all say yeah (yeah-yeah)  
We say yeah (yeah-yeah)  
We say yeah (yeah)
