

# When I Need You

Cliff Richard

When I need you  
I just close my eyes  
And I'm with you. And all that I so wanna give you  
It's only a heartbeat away.  
When I need love  
I hold out my hands  
And I touch love. I never knew there was so much love  
Keeping me warm night and day.  
Miles and miles of empty space in between us  
The telephone can't take the place of your smile.  
But you know I won't be travelling for ever.  
It's cold out  
But hold out  
And do like I do.  
When I need you  
I just close my eyes

It's not easy when the road is your driver.  
Honey that's a heavy load that we bear.  
But you know I won't be travelling a life time.  
It's cold out  
But hold out  
And do like I do.  
Oh  
I need you.  
When I need love. I hold out my hands

When I need you  
I just close my eyes  
And you're right here by my side.  
Keeping me warm night and day  
I just hold out my hands  
I just hold out my hands  
And I'm with you  
Darling.  
Yes  
I'm with you  
Darling  
All I wanna give to you  
It's only a heartbeat away.  
Oh  
I need you  
Darling.
