## Will You Love Me Tomorrow

## **Cliff Richard**

Tonight you're mine completely You give your love so sweetly Tonight the light of love is in your eyes But will you love me tomorrow, tomorrow?

Is this a lasting treasure Or just a moment's pleasure? Can I believe the magic of your sight? Will you still love me tomorrow?

Tonight with words unspoken You say that I'm the only one But will my heart be broken When the night meets the the morning sun?

I'd like to know if your love Is love I can be sure of

So tell me now and I won't ask again Will you still love me tomorrow, tomorrow? Will you still love me tomorrow?
