

You, Me And Jesus

Cliff Richard

If I said I loved you
What would you say?
If I said I needed you
Would it frighten you away?
If I said I loved you
And I wanted you to be
My one and only lover
Eternally.

You and me and Jesus
Jesus, me and you;
On our own we'd break,
With him we'll make it through.
Jesus, take us, make us
What you want us both to be;
I give myself to her,
She gives herself to me.

Love is really fragile
And if it's going to last
We've got to start by giving Jesus
Future, present, past
I ache the way I love you
But, babe, it's sink or swim
And when we look back years from now
We're gonna owe it all to him.

You and me and Jesus
Jesus, me and you;
On our own we'd break,
With him we'll make it through.
Jesus, take us, make us
What you want us both to be;
I give myself to her,
She gives herself to me.
