Walking With Thee

Clinic

As you climb up the stairs And come back forever Summer's in the house Untamed it was

Walking with thee Walking with thee Walking with thee Walking with thee

A million joys A million joys here You could set your watch How untamed it was

Walking with thee
Walking with thee
Walking with thee
Walking with thee
No, no, no, no, no
No, no, no, no, no

As you climb up the stairs And come back forever Summer's in the house Oh, untamed it was

Walking with thee Walking with thee Walking with thee Walking with thee

And melody of joys And you can set your watch While hunting new words

Walking with thee Walking with thee Walking with thee Walking with thee

And with us, oh no You get good affection You can set your watch Or hunting new words

Walking with thee Walking with thee Walking with thee Walking with thee

No, no, no, no, no No, no, no, no, no

If you climb off the stairs And come back forever Someone's in my house or Hunting new words
