

## Buying Time

Clint Black

I've played the games, the masquerades  
By the time the eleventh hour fades  
You're bound to know that what I say is true  
And I'm the one you're looking for  
Every time you find that cheatin' door  
I'll just keep pretending I never knew  
But what are we in this for  
When our hearts are on the line?  
And if a heart could brake  
You're surely breaking mine  
And if we fall to ruin  
It wasn't my design  
But if I can have my way  
There's no price I won't pay  
To just keep buying time  
I'll have to say, I have my doubts  
But I'll give all till I give out  
And I'll do anything to make you stay  
But this could be part of the plan  
Maybe we were dealt a losing hand  
But I'll have to let the cards fall where they may  
But what are we in this for  
When our hearts are on the line?  
And if a heart could brake  
You're surely breaking mine  
And if we fall to ruin  
It wasn't my design  
But if I can have my way  
There's no price I won't pay  
To just keep buying time
